Complete Steps:

Complete a current and updated **Athletic Physical**

Select what program(s) you will be trying out for during the school year.

You and your student athlete will complete the **Concussion Training**
together before finishing Arbiter registration.

Check Updates:

Once the **documents are uploaded** Central Office and Athletic Trainers
will be reviewing/approving registration. Check your dashboard for
notifications and to update/add to registrations. You may also get
notified through email.

To ensure that tryouts run smoothly for all students, please
complete these steps prior to the first week of school.
